Eligible Voters List

(For BOD Elections-2025)

Book -1

Preparation of Eligible Members List – Disqualifications Considered as per MSCS Act and Bye-laws

The list of eligible members has been duly prepared in accordance with the disqualification criteria specified under Section 29 clause (a),(b),(c),(d)of the Multi-State Co-operative Societies (MSCS) Act, read with Bye-law No. 4(xxxi),9 & 11(iii) of The Visakhapatnam Co-operative Bank Ltd.

As per the provisions, a person shall be disqualified from being a member of a multi-state co-operative society and consequently ineligible to vote, under the following conditions:

a) If the member fails to utilize the minimum level of the products or services, as specified in the Byelaws, for two consecutive years.

b) If the member fails to attend three consecutive general body meetings of the society without obtaining condonation for such absence in the general meeting.

c) If the member defaults in the payment of loan amount and is classified as NPA.

d) A member who is an employee of such society shall not be entitled to vote

For the purpose of clause (a) above, the minimum level of utilization of services with the Bank, as defined in its Byelaws, is as follows:

- Availing any type of loan of not less than ₹5,000/- (subject to eligibility and terms), or
- Maintaining a term deposit of not less than ₹5,000/-, or
- Holding a balance of at least ₹5,000/- in a savings bank account, or
- Holding a balance of at least ₹10,000/- in a current account throughout the year.

Since, the absence of members is now being condoned by the General Body Meetings, the clause (b) regarding the disqualification of members for attending three consecutive General Body Meetings over the last three years has been excluded. As a result, all members are now deemed eligible.

Accordingly, based on the above considerations, the list of eligible members has been finalized.
